## How can I be involved in the GHWAC?

\*Our main focus is the education of learners from the surrounding areas- there is a huge need for more one-on-one involvement with the learners and we would welcome volunteers to be involved in these projects.

\*There is also much work to be done regarding the general awareness of and fundraising for the centre

\*Upkeep/maintenance of enclosures/shelters

Please contact us should you have any other area of expertise which you feel may be of benefit to the Giraffe House and our vision. We would like to involve our Friends at Giraffe House.
