AUGUST 2010

Newsletter#2

- Giraffe House is starting a monthly programme for kids ages 5-13years called **Walk with Werner (WWW)**. This will be held monthly on a SATURDAY MORNING between 10-11am. The idea is to introduce any interested children to the animals of Giraffe House - what's new, what's interesting, see how we treat any sick or rehabilitating animals, and just chat about what's happening in the world of wildlife.....

The first walk will be on **Saturday 31st July**. It will be a walk in wellington boots if it is wet! Young kids to be accompanied by parents. Normal entrance fees apply.

- We are still in the process of **registering as on NPO**
- **Theft** has been rife at Giraffe House over the last while. Birds were stolen about a month ago, and we have also had an overnight burglary at our kiosk. These events are very disheartening...

- **Kids parties** have been very popular this winter at Giraffe House - we are always able to do an indoor snake show in the case of bad weather.

- **Friends of Giraffe House** - please e-mail for details.

Kind regards

The Giraffe House Team
